

OneAfricanChild Foundation for Creative Learning is a youth-led organisation addressing the inequality in education through **activity-based workshops**, **advocacy** and **empowerment programmes**.

- Experiential Learning
- Education for Sustainable Development (ESD)
- Youth Power

ESD Model

- Train youth volunteers to become facilitators of ESD.
- Youth volunteers train Community Teachers on ESD.
- Teachers train Students.
- Students share experience with their peers, community and apply lessons in addressing real-world challenges.
